ABOUT

I started inlingua in Bangalore in 2005 and have grown it into one of the leading language training schools in India, offering Indian and international languages to colleges, corporates and individuals, in the classroom and online. I am also the founder of LanguageStation, a platform for social and cultural integration through languages. I am a certified yoga instructor, meditation coach and natural health sciences practitioner, a motivational speaker, and a trained Bharatanatyam dancer.

TALKS AND WORKSHOPS

I speak and conduct workshops on entrepreneurship, Indian philosophy, meditation science and holistic health, and have spoken at 27 colleges and universities and 9 organisations.

EXPERIENCE

CEO, inlingua Bangalore
2005 to present

One of India's leading language training schools: 30,000+ learners, 100+ corporate clients and 30+ universities trained in 20+ languages, offline and online.

Founder, LanguageStation
